

Paid questionnaire-completion pilot

A controlled test—not a free trial

The pilot turns one live external request into a source-linked, client-approved response pack while measuring commercial value and delivery economics.

Best fit

10–249 employee manufacturer · live buyer request · material deadline · evidence across 2+ functions

Indicative fee

£2,500–£4,500 plus VAT if applicable · 50% on acceptance · no free delivery

Included

Question map · evidence request list · source-linked drafting · claim QA · approval and release pack

Not included

Certification · verification · guaranteed score · legal opinion · invented policy · proxy signature

Pilot proof

Cash collected · delivery hours · contribution margin · unsupported claims · follow-on demand

Start with a redacted question set and an authorised client approver.
